We are committed to providing a comprehensive hearing care service and will endeavour to see you at a clinic near you or at a scheduled home visit.

Home Visits – If you are unable to attend an appointment in clinic or would prefer us to come to you, we are more than happy to schedule a home visit at time convenient to you. Audiology Plus will use portable equipment to provide audiological assessment, hearing aid fitting, hearing aids repairs and ear wax removal in the comfort of your home.
